Ya sé que es muy bonita mi casita. Es muy bonita ya lo sé

I have a little apple, apple, apple
I have a little apple just for me
It makes a very good house, good house, good house
It makes a very good house just for me

It has a little chimney, chimney, chimney
It has a little chimney brown as can be
This apple is a good house, good house, good house
This apple is a good house just for me
