

SUAVECITO by Malo

G G# Amaj7 Bm7 Amaj7 Bm7

La la la

Never, I never met a girl like you in my life

Never [No no yeah], I never met a girl like you in my life

The way that you hold me in the night

The way that you make things go right

Whenever you're in my arms

Filling me with all of your charms

Suavecito mi linda, Suavecito. Suavecito me linda, Suavecito
